

Community Education in Durham Public Schools offers SAT Prep classes several times throughout the school year at various sites. Class sessions focus on:

- an overview of the SAT
- types of questions to expect
- test taking tactics
- budgeting your time
- strategies for math
- strategies for critical reading & writing

A certified teacher instructs each class. The class ratio is 1:10. Classes are 12 hours in length, meeting six times for two hours each. Students need to be on time and bring a pencil, notebook and calculator to each class. Every effort should be made to attend every class meeting. Make-up classes are NOT available.

**The cost for the class is \$90.00. You may elect to pay an additional \$20.00 for your child to receive a copy of the workbook – *The Official SAT Study Guide*.** This guide is a companion to the teaching guide our instructors use, but it is not required for the class.

Limited scholarships are available. To request a scholarship, you must submit your completed application along with a signed statement requested by you from a guidance counselor at your child's school stating he/she would benefit from the course and has a financial need. There is a \$20 registration fee for ALL scholarship applicants. If a scholarship is requested but not granted, you will be notified and the \$20.00 registration fee will be returned, or you may elect to use it toward full payment. **Classes are filled and scholarships are considered and awarded on a first come, first served basis.**

A minimum enrollment of 13 students must be met to offer each class. **CLASSES THAT DO NOT MEET MINIMUM ENROLLMENT WILL BE CANCELED.** You will be contacted if there is a problem with your registration or if a class is canceled.

\*Registrants must be enrolled in or have completed Geometry and English II. **Once your registration has been processed AND registration has closed, you and/or your child will receive an informational email about the class.** This information will be available at each SAT Prep Class location.

**For questions about registration (submission, receipt, processing): 560 9488**

**For questions about the classes/instructors/schedule: 560 3816**
